Our client, an international direct selling company with a truly innovative product line, is looking for

Logistics Manager EU

JOB-ID: 14934

WHAT MAKES THE JOB INTERESTING?

The Fulfillment Logistics Specialist will be responsible for overseeing the daily logistics operations to ensure the performance and fulfillment of our products are maintained at the highest standards. The position will report to TSPC Germany office, reporting administratively to the office, while receiving strategic and tactical direction from our parent company in North America.

THE POSITION

- Monitor and optimize the fulfillment logistics process for B2C consumer products in the EU market.
- Collaborate with distribution warehouses to coordinate timely and accurate product shipments.
- Manage local relationships with small parcel freight carriers, and distribution centers to streamline the delivery process and reduce lead times.
- Address and resolve any logistics-related issues that may arise, ensuring customer satisfaction.
- Implement and maintain efficient inventory management practices to support the distribution process.
- Act as a key liaison between our German office and the parent company in North America, providing updates and insights on logistics operations.

**The person is decisive for us, not the gender!*

We believe in diversity, reject discrimination and do not think in terms of gender, ethnicity, religion, disability, age or sexual identity. For this reason, we do not explicitly label job titles with f/m/d.

- Utilize multiple languages to effectively communicate with internal and external stakeholders across the EU.

THE IDEAL CANDIDATE

- Minimum of two years' experience in B2C fulfillment logistics, within the EU market.
- Proven track record of successfully managing logistics operations and optimizing fulfillment processes.
- Strong communication and interpersonal skills, with the ability to work effectively in a multicultural environment.
- Proficiency in multiple languages is highly advantageous.
- Detail-oriented with the capacity to analyze data and identify areas for improvement.
- Adept at building and maintaining relationships with distribution partners and carriers.
- Familiarity with logistical software and systems is a plus.
- Ability to adapt to evolving business needs and contribute to strategic decision-making in the continual improvement of SOP's involved with the responsibilities of the position.

ABOUT US

Awarded many times by WIRTSCHAFTSWOCHE - FOCUS - DIE WELT - EXPERTEER - and as HEADHUNTER OF THE YEAR, PAPE as a personnel consultancy is one of the leading companies in Germany and a reliable partner in staffing high-caliber specialists and executives in selected industries and positions.

The main focus of PAPE Consulting Group AG Personalberatung, which has been operating successfully on the market for 30 years, is its approach as a solution provider. This includes recruiting specialists and executives, executive search at top management, C-level and board level, conducting assessments, coaching, training, diagnostics and outplacement/newplacement. In addition, new innovative methods such as perspective consulting, Staffing-Pro, VideoCoaching and inverse headhunting are used.

Clients include more than 1,500 companies from all industries, from start-ups and small and medium-sized companies to international corporations with global operations.

The approach as a solution provider distinguishes PAPE significantly from its competitors as well as the industry-related qualification of the consultants and the unconditional will and promise to successfully implement every mandate.

The ultimate goal is always the "perfect match" between the recruiting company and the highly qualified candidates.

PAPE – THE AWARD WINNING COMPANY

We are very proud of the many awards we receive as a personnel consultancy for our work, which say more than just admiring ourselves.

In 2021 and 2022, we were named TOP medium-sized service provider by Handelsblatt & WirtschaftsWoche in the "Personnel Consulting" sector. FOCUS magazine repeatedly voted PAPE "Top Personnel Consultancy" (2019 · 2021 · 2022 · 2023), and DIE WELT has also named us TOP Consultancy three years in a row.

In previous years, we have received the industry Oscar "Headhunter of The Year" from Experteer with XING, among others.

HEADHUNTER
OF THE YEAR

It is both an honor and an obligation to continue to be a pioneer and industry trailblazer in the future.
